Revision Table

Id	Date	Description
1	14/02/2023	Initial drafting of the analysis report.
2	15/02/2023	Final touches to the report

## Introduction

This report serves the purpose of identifying and clarifying any incorrectness, incompleteness, imprecision or inconsistency present in the requirements for the individual deliverable. Through careful examination and analysis, this report aims to shed light on any inconsistencies that may exist, and provide a clear explanation of how they can be addressed.

# Contents

The tasks for this deliverable I decided to do where all of the proposed ones, which in this case where these 3:

## Functional requirements

- 1) **[MANDATORY]** Modify the anonymous menu so that it shows an option that takes the browser to the home page of your favourite web site. The title must read as follows: “{id-number}: {surname}, {name}”, where “{id-number}” denotes your DNI, NIE, or passport number, “{surname}” denotes your surname/s, and “{name}” denotes your name/s.

## Managerial requirements

- 2) Produce an analysis report.

[ ]

- 3) Produce a planning report.

[ ]

- 1) I found no inconsistencies in this statement since it is quite clear and straight-forward.
- 2) I found no inconsistencies since this Analysis Report is explained in the “08 Annexes.docm” found in the EV platform.
- 3) I found no inconsistencies since this Analysis Report is explained in the “08 Annexes.docm” found in the EV platform.

## Conclusions

After completing everything I found no incorrectnesses nor incompletenesses nor imprecisions nor inconsistencies in the provided requirements.

## Bibliography

Intentionally blank.
